Dear Marilyn,

Thank you once again for your generous support for Operation Nightwatch, providing Shelter and Support services for homeless people in Seattle.

This funded approximately two nights of shelter for all Nightwatch clients for September 20 and 21, 2019. We served 211 people over those two nights. Of these, 195 were men and 22 were women.

These folks are fed by volunteers, using donated food. Our homeless friends also receive socks, hygiene supplies, information about other services, and a sense of community when they come to Nightwatch. We believe that treating people with loving respect is important to their sense of safety and security. Treating people well is critical to recovery. And we know that this is consistent with the work of Tulalip Tribes Foundation care for all people in the community.

It is truly an honor to have the support of the Tulalip Tribes. If we can be of service, or if you care to stop by for a visit, we would welcome you, as you have welcomed us.

All the best during this holiday season, and may God bless us all.

Sincerely,

Rev. Rick Reynolds
Executive Director

Thank you Tulalip Tribes!
Rick
