Hello Marilyn,

Thank you, again, to Tulalip Tribes for its gorgeous contributions to The Barn Raiser! Together, we raised over \$200,000 for local farmland protection! We just posted a [photo album](#), in case you'd like to see what the event was all about, too. I have attached a couple of my very favorite photos, along with the program, in which your logo was featured.

To date, through our campaign, Our Farms, Our Future, we have supported 66 farm businesses. The funds raised at The Barn Raiser will help us protect another 10 farms by the close of 2020. The funds will also support our new program, Farm to Farmer, which offers online and in-person matching and coaching in order to enable new and expanding farmers to connect with the land opportunities they need to grow their businesses, serving 300+ local farmers and farmland owners, annually.

The URL for our organization: <https://www.pccfarmlandtrust.org/>

The URL for the event: <https://www.pccfarmlandtrust.org/barnraiser2019/>

If I can be of further assistance, please do let me know.

Thank you so much for lifting up local farmers and stepping up for farmland protection!

Gina

RAFFLE WINNERS ANNOUNCED

PCC FARMLAND TRUST

PCC Farmland Trust protects and stewards threatened farmland in Washington. We aim to keep land in production by making it accessible to future generations of farmers. Since our founding by PCC Community Markets in 1999, we have protected 23 farms, totaling 2,548 acres, across the state.

OUR FARMS, OUR FUTURE

Urban growth is inevitable. Losing farms is not. Our Future is a \$26-million campaign to keep sustainable and organic farmland within our changing landscape. Thanks to supporters like you, we have already raised \$19 million toward our goal to protect farmland in the Puget Sound region.

THANK YOU
