SPECIFIC USE FOR THIS AWARD:

With your help, Pregnancy Aid of Snohomish County was able to help 2343 individuals during 2012 and these individuals had approximately 5600 children that we supplied clothing, diapers, toys, book and household items for! We also supplied 161 new car seats (never used) for infants, toddlers or youth sized children and gave out 237 (new baby) layettes.

Also with your help, we were able to finance a new website and a more reliable email system. The website is funded for a three year period and it just went live last month (May, 2013). I would invite you to take a look and you can find it at, pregnancyaidsc.org.

Dear Marilyn,

Good Morning to you.

Pregnancy Aid of Snohomish County was so very honored to receive your generous grant during your second quarter, 2012, grant cycle. I wanted to take this opportunity to, once again, thank you for supporting the work we do for all families within Snohomish County. I am also attaching some pictures (all individuals or parents/guardians have signed a release for these pictures) to better show case our work.

We hired a part-time temporary office assistant and we were able to standardize our office and computer system and now it is very user friendly for our volunteers to utilize. We had 6118 volunteer hours during 2012.

We also have a painting project planned for the month of July when we have to close for a few days due to a parking lot renovation by our landlord. A perfect opportunity to spruce up our area, with thanks to your grant.

The report, pictures and thank you I sent soon after receiving the grant did not seem enough to me and the Board of Directors, so we felt an update was needed!

If I can provide any additional information to you, please do not hesitate to contact me at 425.252.6444 or email at executive.director@pregnancyaids.org.
