ROOTS Grant Report - Q2 2021 14.2

Dear Marilyn,

Thank you for your recent donation of [REDACTED] to ROOTS Young Adult Shelter in Seattle. During September, ROOTS provided over 800 bed nights to more than 40 young adults experiencing homelessness. Beyond a safe place to sleep, ROOTS' guests are invited to take advantage of our numerous other programs and services, including meals, hygiene and laundry facilities, case management services, computer access, and housing referrals.

ROOTS is a low-barrier shelter that welcomes every young person aged 18-25, regardless of their background or identity. Due to our low-barrier model and commitment to having a safe space for everyone regardless of their barriers, up to 20% of our guests have been barred from other shelters in the area, meaning ROOTS is often their only option for receiving support. Additionally, we intentionally seek out staff and volunteers that reflect the identities and experiences of guests to create an inviting and welcoming environment. ROOTS is also invested in anti-oppression advocacy in our community and at all levels of government.

We couldn't provide over 13,000 nights and 35,000 meals each year without generous supporters such as the Tulalip Tribes. On behalf of everyone at ROOTS, thank you! Thanks to your donation, ROOTS can continue our mission of building community and fostering dignity through access to essential services and a safe place to sleep for young adults experiencing homelessness.

Sincerely,

Jerred Clouse
Executive Director
