Re: Q4 2021 14.2

Dear Ms. Sheldon,

Thank you for helping children cope with grief. Your generous gift of [REDACTED] helped 656 grieving children receive the emotional support needed to rediscover the joy, security, and possibilities that all young people deserve.

With your help, Safe Crossings Program served youth between the ages of 6-18 by providing support through in-home and virtual individual counseling sessions, virtual holiday events and phone or email consultations. Additionally, a grief-focused summer camps for children and teens was available as well as training for professionals working with youth who have experienced grief.

Please visit our website at [www.safecrossingsfoundation.org](http://www.safecrossingsfoundation.org) to see stories about children and families who were helped by your donation in 2021.

We have attached to this email photographs from by programs funded in part by the contributions of Tulalip Tribes Charitable Contributions.

On behalf of the entire Board of Directors and staff of Safe Crossings Foundation, thank you so very much for your continued generous support of children as they cope with grief.

Sincerely,

Karen Schrantz  
Executive Director
