Re: Q2 2019 14.2

Dear Ms. Sheldon:

We THANK YOU for the \$█████ grant to purchase and install a new 1,000 lbs. glassblowing furnace in the Schack Art Center high demand hot shop! Moreover, our board and staff echo my enthusiasm.

The investment of the Tulalip Tribes helped us reach our fundraising goal.

The new furnace is installed (as pictured below) and today enhances audience experience; improves creative services for citizens and visitors; ensures artists have the resources they need to be successful; and increases art training options for all ages.

We appreciate your vote of confidence and ask you to extend our gratitude to the entire board for the thought and time invested to encourage the work of nonprofits in our region. And if you are in the area, I hope you will allow me to take you on a tour of the Schack and introduce you to our team members.

Warm regards,

Judy Tuohy
Executive Director
