Subject: Report from SeaShare – Q2 2016 14.2

Dear Ms. Sheldon,

SeaShare is so thankful for your generous support in 2016. You helped us bring more seafood to more hungry people in Washington. The grant we received from the Tulalip Tribes Charitable Contributions allowed SeaShare to donate 28,000 servings of seafood to people in need of nutritious food. Thank you!

Because of the generosity of the Tulalip Tribes Charitable Contributions and others, SeaShare was able to donate a total of 424,644 pounds of seafood to food banks in Washington last year, which is the equivalent of almost 1.7 million servings of seafood to those in our community who need it most. With an average pack size of three pounds for a family of four, SeaShare was able to serve over 560,000 people in Washington last year.

Our donations in Washington went to Food Lifeline's 275 member food banks, food pantries, and feeding centers in Western Washington; to the Millionair Club's hot meals program in Seattle; and to Second Harvest in Spokane, which serves 250 food banks, food pantries, and feeding centers east of the Cascades. Seafood donations included canned wild Alaskan salmon, frozen wild Alaskan salmon steaks, frozen wild Alaskan halibut steaks, and frozen Alaskan pollock.

We continued to work closely with the community of fishermen in Alaska and Washington to provide the highest quality first-run seafood products to the food banks we serve. We are happy to report that in 2016 we were able to improve access to nutritious seafood for our neighbors struggling with food insecurity, so that they can better learn, work, and contribute to the community.

Thank you for all that you do to support nonprofits in our region, including SeaShare.

Best regards, and please let me know if you have any questions. Thank you!

Kate Tomkins
Director of Development
SeaShare

Dear Marilyn,

9/14/16

Thank you to the Tulalip Tribes for your generous support of SeaShare! I know our Exec Director sent you a note this week, but I just wanted to reiterate how excited we are about this donation. Your \$3,500 will allow us to donate 28,000 servings of seafood to food banks.

We will report back in the coming months. If you ever need anything, I've included my card with this note. Best wishes, and thank you again!

Kate Tomkins + the SeaShare team
