Subject: Q2 2025 14.2

Dear Director Sheldon,

SeaShare is so thankful for your generous support in 2025. You helped us bring more seafood to more hungry people in Washington. The [REDACTED] contribution we received from the Tulalip Tribes provided 14,400 seafood servings. We estimated that this fed 4,800 individuals.

Because of the generosity of the Tulalip Tribes Charitable Contributions and others, SeaShare has been able to donate a total of 385,940 pounds of seafood in Washington thus far in 2025, which is the equivalent of 1,543,760 servings of seafood to those in our community who need it most.

Our donations in Washington went to Food Lifeline's 275-member food banks, food pantries, and feeding centers in Western Washington, Lummi Nation, Northwest Harvest, Mary's Place, and the Union Gospel Mission's meal program in Seattle. Seafood donations included canned wild Alaskan salmon, frozen wild Alaskan salmon steaks, frozen wild Alaskan halibut steaks, ribbon kelp, and frozen pollock fish sticks.

We continued to work closely with the community of fishermen in Alaska and Washington to provide the highest quality first-run seafood products to the food banks we serve. We are happy to report that in 2025 we were able to improve access to nutritious seafood for our neighbors struggling with food insecurity, so that they can better learn, work, and contribute to the community.

Thank you for all that you do to support nonprofits in our region. We have attached a few pictures from this year.

Best regards, and please let me know if you have any questions. Thank you!
