Subject: Thank you for your support of SAFe Rescue!

Dear [REDACTED],

On behalf of the animals and humans who will benefit from your support of Seattle Area Feline Rescue's Community Veterinary Program, we send our sincere gratitude! We're honored to receive a grant from the Tulalip Tribes Charitable Contributions Fund and have begun putting the funds to use helping local pet owners who are facing economic hardship.

In June, we had our first community clinic day, and we are continually expanding our offerings of subsidized veterinary care (including microchips, vaccinations, and other treatments) to the cats of income-qualified and unhoused individuals and families in the region.

Attached to this email is a photo of Ady, one of our Medical Team members with the Ultrasonic cleaner for sterilization that we were able to acquire thanks to you. This is a very important piece of equipment and as you can probably see, our staff was thrilled to be able to add it to our veterinary suite.

Thank you for helping to make it possible for pet owners in the community to keep their four-legged family members with them and in good health. The peace of mind in knowing that our companion animals are taken care of means the world in these trying times.

With gratitude,

[REDACTED]
