Hi Marilyn-

It was another wonderful year for our Indigenous films at SIFF and we couldn't have done it without you. Thank you so much for your continued support of these amazing stories and voices.

I am following up now with some information about the program, and also with some great photos!

We continue to see tremendous success with our Indigenous film program and 4th World Media Lab, and are grateful for your support. We even brought VAI and TOP END WEDDING back for our Best of SIFF, a cinema showcase of festival winners and crowd favorites from festival.

This year, we created a PDF version of our catalog. Here is the link to it: https://drive.google.com/file/d/1etPB1tnapCKRMJYL4eJ_IC5Qvvd1_6c/view?usp=sharing

But do let us know if you'd like one mailed to you as well.

Lastly, I want to let you know that Nathaniel Porter will be taking over my position at SIFF starting next week; I have cced him here. He looks forward to partnering with Tulalip in support of our Indigenous program next year. It's been a pleasure working with you!

Thank you,
Kelly
