Subject: Report! Code: Q2 2018 14.2

Hello,

My name is Cyrus Morosoff. I took over as Program Coordinator here at Seeds4Success about a year ago, and our Office Manager, who had been responsible for our grants, left in October. So, naturally, I am just now being made aware that I was supposed to send you all a report! Much apologies for it being this late.

Many of our clients do not like having their pictures taken or have not signed a ROI allowing us to share pics, so I don't have a lot to show there. You can see some pictures on our website at www.s4svashon.org. We have 8 clients who experience developmental intellectual disabilities who were all impacted positively by your grant, allowing us the time needed to find them jobs and support them in learning those jobs.

Please let me know if there is any other info I can send to you, and thank you so much for your donation,

Sincerely,

Cyrus Morosoff

Program Coordinator
