GENERAL GOALS: Senior Services is passionate about positive aging and remains committed to older adults. We serve the needs of seniors from the frail elder who requires support in daily living to the healthy, active senior seeking volunteer and leadership opportunities. Funding to Senior Services keeps elders in King County physically and emotionally healthy, socially engaged, well-informed and economically stable.

SPECIFIC USE THIS AWARD:

Contributions to Senior Services are leveraged with other funders and a community of donors. In 2012, our programs supported 61,406 seniors.
