Dear Marilyn,

I want to sincerely thank the Tulalip Tribes for their support of Senior Services of Snohomish County and the donation from Tulalip Tribes Charitable Contributions.

The donation to Senior Services will help provide essential services in Nutrition, Housing, Transportation, and Social and Health Services for seniors and people with disabilities living throughout Snohomish County.

Each year Senior Services provides permanent supportive housing to over 700 seniors; meals to 3,600 seniors and people with disabilities; rides to over 4,100 people with disabilities, and social and health services to over 8,700 seniors, people with disabilities, and those that care for them.

Senior Services has never wavered from our vision -"Through our collective efforts as a community, older adults, people with disabilities, and those who care for them, will have access to all of the resources and service needed to maintain independence, promote healthy aging and live a quality life". Tulalip Tribes has proven to be a true partner in helping our community achieve this vision.

Attached are photos of our Meals on Wheels program , one of the programs that benefits from Tulalip Tribes Charitable Contributions.

Sincerely,

Jim Steinruck Chief Executive Officer
