## Skagit Preschool and Resource Center (SPARC) Grant Report

Code: Q4 2024 14.2

1. Your Program Support Grant has contributed significantly to advancing SPARC's mission by supporting our Birth to Three, Preschool, Children's Therapy, and Parent to Parent Programs. Thanks to your generous donation, we have made substantial progress toward our goal of providing every child with a foundation for lifelong success. Your support facilitated the expansion of the Children's Therapy program from serving children aged 0-5 to now including children up to 12 years old. Additionally, grant funding enabled SPARC to offer free in-home developmental screenings for children aged 0-3 through our Birth to Three program. Please see our attached Annual Report for further photos and accomplishments made possible by the Tulalip Cares Fund grant award.
2. Over the previous fiscal year SPARC provided education, therapy, and early intervention services to over 500 children and connected with 1,900 families through our various programs.
