OASIS YOUTH SHELTER REBUILD

- October 2024: Demolition of old shelter and beginning of construction
- Early July, 2025: Construction completed
- July 17, 2025: Open House and Community Celebration Event
- August – December 2025: Shelter Licensing
- January 1, 2026: Oasis Shelter reopens to youth

The Oasis Youth Shelter provides youth with a safe place to spend the night every day of the year. Other than being age 13–17, there are no strict eligibility requirements. There were 924 bed nights in 2024 before the shelter rebuild began in October.

Youth might need to stay overnight for a variety of reasons, such as family conflict, crisis, feeling unsafe at home, not having anywhere to go, or just needing a healthy break from family. No reason is not valid! We are first-come, first-served, and all youth have access to a case manager who will work with them and their family to locate safe, stable, and permanent housing.

The new, 6,000 sq. ft shelter features the following:

- Six bedrooms that can sleep up to 14 youth per night, every night of the year
- ADA accessible rooms, bathrooms, and parking for youth and staff
- Two story building: Main Floor (shelter bedrooms, kitchen, common areas); Basement (staff offices, meeting rooms, bedrooms)
- Added space for donations, clothing closets and storage
