Dear Marilyn and Tulalip Tribes:

It is our pleasure to send you a final update on the positive impact your generous grant has had on our Food Bank. Thanks to your support, we were able to purchase a new cooler for our distribution floor. This cooler allows us to provide a greater assortment of refrigerated products for our clients, and has been an integral part of our transition to our new client-centered shopping model that we launched on March 15<sup>th</sup>.

With this new model, our clients now “shop” at the Food Bank just as they would at a grocery store. This has allowed us to better serve them as customers, giving them more choices and more control over their family’s nutrition. The early feedback from our clients has been overwhelmingly positive, and so far everyone we have spoken to is grateful for the change. On their behalf, we offer up a giant thank you for making this possible!

It has been our privilege to continue to work with you to provide relief to low-income families in our area. Thanks to our partnership with Tulalip Tribes, our motto “Neighbors Helping Neighbors” continues to live and thrive! Thank you one more time for your gift to the Sky Valley Food Bank!

Gratefully,

Cindy Chessie  
Executive Director
