**GENERAL GOALS:** Snohomish County Firefighters Pipes and Drums is a firefighter owned and operated pipe band in Snohomish County, Washington. Each member of SCFFPD is an active firefighter serving a Fire Department within Snohomish or Island County.

### **SPECIFIC USE FOR THIS AWARD:**

The band was established to promote brotherhood and increase the camaraderie of Snohomish County Firefighters by honoring tradition, and respecting those who gave the ultimate sacrifice. Since we received your generous donation we have been able to accomplish all that we hoped to. Through your gift we have achieved financial stability and are able to support others in our efforts. We have played at fire fighter funerals, the one year anniversary of the OSO landslide and a vigil for the recent loss at the Marysville Pilchuck High School. We have purchased much needed replacement parts for our instruments and uniforms.

For more information see the attached pages from Snohomish County Fire Fighters Pipes and Drum.

Marilyn,

Thank you so much for the support!

### **The Reason We Are Requesting This Grant**

All members involved donate their time and pay for their own lessons and instruments. They also pay dues each month to help cover the cost of uniforms, other equipment, travel and lodging. Our other main source of income is through the sale of t-shirts and other swag.

### **How We Will Spend the Funds**

The members will continue to donate their time and fund the lessons. The grant money would be spent on replacement parts for the instruments, uniforms, travel and lodging for funerals and charitable events.

We were able to use the funds to build our inventory of items we sell in order to raise money. You have played a major part in allowing us to be self-sustainable as a band. Recently we raised funds for the Leukemia Foundation and the Fire Fighters Cancer Support Network. We have many other fundraisers planned for the coming year.
