SEED/ARTS

The power of art in building community

SEEDArts donation report Q2 2025 14.2

Dear Marilyn,

Thank you for your generous gift! Your donation ensures that SEEDArts will continue to offer diverse arts experiences and infuse creativity into our neighborhoods.

SEEDArts is a catalyst for preventing artist displacement in Southeast Seattle. Recently, we celebrated a major victory by purchasing the 'Hillman Hub' in partnership with Black & Tan Hall and the Multicultural Community Coalition. And in early January, we received \$1.75 million from the City of Seattle Equitable Development Initiative to fund construction at Hillman Hub. Over the next two years, we will convert the upper floor into a workspace for artists, cultural organizations and creative entrepreneurs, and renovate the first-floor spaces for two locally-owned restaurants.

This year, SEEDArts enabled arts and cultural experiences for more than 43,000 participants and 800 artists. Your support makes this work possible. Thank you.

Sincerely,

Kathy Fowells, SEEDArts Director
