St. Philip's Episcopal Church

Joining God in loving commitment to the earth and its people

Wednesday, August 31, 2016

Dear Mrs. Sheldon,

The people of St. Philip's thank the Tulalip Charitable Fund and the Tulalip Tribes for its [REDACTED] donation to St. Philip's last year.

The grant money supported our mission to *support young learners for our common future.*

We carried out this mission with our Summer School, Homework Club at Pinewood Elementary and Liberty Food Program.

Summer School: We had 15 students this year for 8 contact days to focus on math, reading, Spanish, art and music. We provided breakfast, a snack, and lunch – all free of charge to incoming 2nd and 3rd grade students. We also provided some school supplies and chapter books for each student.

Homework Club at Pinewood Elementary: We had 8 tutors at Pinewood elementary for twenty-three Wednesdays. We had 20 students enroll, with an average attendance of 15 students.

Liberty Food Program: We put fifteen weekend food bags together for 23 weeks and delivered them to Liberty Elementary School to add to the program the food bank currently offers. This enabled us to offer 345 food bags over the course of the year.

We could not have done all of this without the generous gift of \$4,000 to our ministry. We hope to inspire other churches and organizations to engage the students and families in our community to support young learners, who will shape our common future.

Thank you!

Peace,

The Rev. Terry Kylo, Rector
