Re: Charitable Contribution, Q3 2025 14.2

Dear Ms. Sheldon,

Since 1997, Step By Step has been serving low-income pregnant and parenting women helping them to have healthy pregnancies and get a good start to parenting. ***Our mission is to equip pregnant women, mothers, and families to positively impact generations.***

Our organization has always been relationship-based and holistic in its approach, as we seek to address the physical, mental, and social well-being of the women and families we serve. With support from the Tulalip Tribe Funds, we help meet immediate needs by providing essential baby items such as car seats, cribs, strollers, breastfeeding supplies, diapers, wipes, clothing, and blankets.

One hundred percent of the funds received from the Tulalip Tribes Charitable Contribution was used to support our Vital Baby Needs program. Last year, with your help, we were able to buy and distribute 1,798 baby items including infant car seats, cribs, strollers, diapers, wipes and other baby essentials.

Overall, our organization impacted over 2,327 moms and their children living in Pierce, King, Thurston, Snohomish and Kitsap counties.

It has been a great honor to partner with you in creating a positive impact in the lives of the families we serve. Thank you for trusting us as good stewards of your resources. We look forward to continuing to work with you!

Sincerely,
