Dear Tulalip Tribes Staff:

Thank you for the charitable contributions grant award of [REDACTED] in support of our Stilly II housing facilities new elevator. Your support of the center means a great deal to us and we are so appreciative!

Now more than ever, we're so grateful for the community that has funded, volunteered, celebrated, and advocated for the Stillaguamish Senior Center through the years. At a time when everything feels uncertain, we find comfort and encouragement knowing that you care about the importance of our organization.

The mission of the Stillaguamish Senior Center is 'to provide services to all seniors that enhance their quality of life, limit isolation and prevent a need for institutionalization'. Each of the Stillaguamish Senior Center's program areas strives to achieve this mission.

By 2025, it is anticipated that 24.8% of the population in Snohomish County will be 60+. Based on these statistics, our goal is to increase and maintain funding that will enable our organization to continue providing the many services and programs for the older adults within our community.

On behalf of all of us at the Stillaguamish Senior Center, thank you for being a part of our community. We wish you and your family health, safety, and happiness and want you to know that together, we can overcome all things.

Sincerely,

Danette Klemens
