November 11, 2019

Final Report Number: Q2 2019 14.2

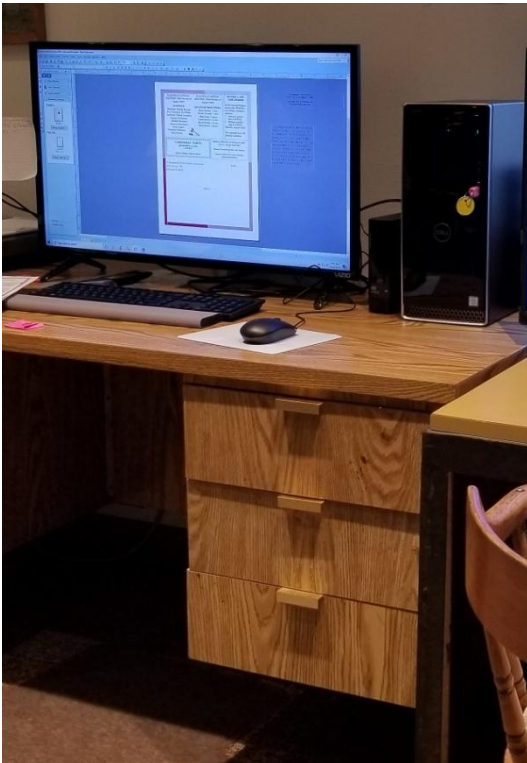

We were able to buy 3 computers, one monitor, and 2 windows 10 upgrades for our 2 older computers.

We appreciate all of your help in the project.
It will allow us to serve our visitors in a more timely fashion.
In doing researching our archives of historical articles and photos.

We have about 1000 thousand visitors per year, and many of them are looking for historical information.

The Kiosk will allow us to access the information in a better and faster manner, for our visitors, and they can research on their own while visiting our museum.

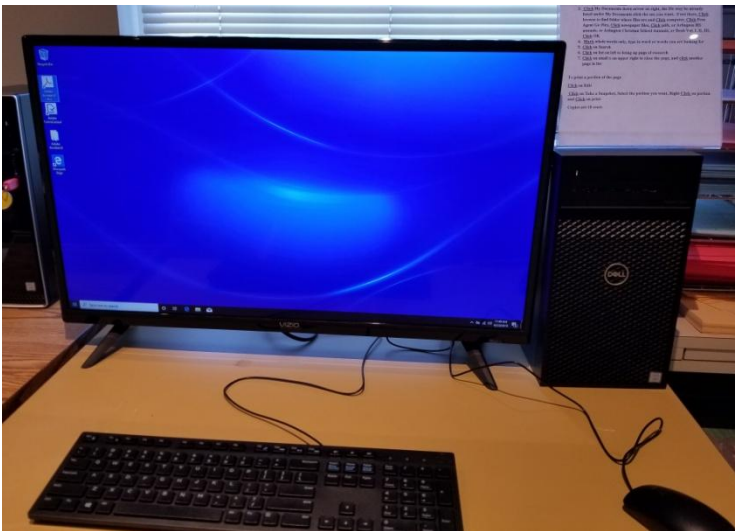

Our Web page is www.stillemuseum.org
Email address: stillypioneers@frontier.com

New Computer for Photo Cataloging

New computer for Artifact Cataloging

This Computer will be used by our visitors to research our historical documents.

Newspapers, High School Annuals, and others.
