---

Here is the grant report for Storm Aquatics with pictures attached. The cost for swim has continued to climb and we spent the beginning of the season with continued lane restrictions due to the pandemic which limited the amount of swimmers we could accommodate. We are so very grateful for your support!

Total number of recipients affected by the grant: 3 coaches, 65 athletes: 7 of those are Outreach swimmers who qualify due to income and swim at a low rate of monthly dues
