This dinner event was appreciating all of our volunteers that help us serve our community on a daily basis. There was a catered meal, herbal foot soaks and 3 massage therapists. This event was hosted April 27, 2022 at Rose Island Farm. It lasted 4 hours and we had 25 recipients. Carmen said, " There was an overwhelming feeling of generosity, love, caring, and appreciation. It felt good being in community and sharing space."
