GENERAL GOALS: Teens In Public Service is dedicated to producing future leaders committed to their communities by connecting teens with life-changing opportunities and internships at non-profit organizations.

SPECIFIC USE FOR THIS AWARD:

Our 2014 session marked our 18th summer of service. Your support enabled us to accept 56 teen interns from a pool of 418 applicants. We placed our TIPS interns in 52 nonprofit partner organizations throughout King County where they served over 19,000 community members in need and addressed a wide range of social issues including hunger, homelessness, HIV/AIDS, literacy, environmental protection, and the arts. This generous grant helped us provide our participants with practical workplace and leadership skills, an education in community awareness, and an opportunity to manage their first paychecks.

Re: Tulalip Charitable Contributions Code: Q2 2014 14.2

Dear Ms. Sheldon:

On behalf of the Teens In Public Service (TIPS), I send our sincere gratitude for The Tulalip Tribes Charitable Fund's generous grant in support of our 2014 Summer Internship Program.

Our 2014 session marked our 18th summer of service. Your support enabled us to accept 56 teen interns from a pool of 418 applicants. We placed our TIPS interns in 52 nonprofit partner organizations throughout King County where they served over 19,000 community members in need and addressed a wide range of social issues including hunger, homelessness, HIV/AIDS, literacy, environmental protection, and the arts. This generous grant helped us provide our participants with practical workplace and leadership skills, an education in community awareness, and an opportunity to manage their first paychecks.

"TIPS gave me an experience that only comes once in a lifetime. I was able to get involved with the community while having the benefits of a summer job. It also allowed me to be a better worker and leader for the future. I realized the importance of serving my community and a potential future job-field that I would like to work in."

Aarthi, 2014 Birthday Dreams TIPS Intern

In addition, your contribution enabled our nonprofit partners to increase their summer staff at no cost to their organizations, allowing them to run their programs more efficiently and expand their service provisions to their constituencies.

"Jake provided regular staffing for our summer camps; without a TIPS intern, we would not have been able to provide some new summer programs this year."

Thank you again for your investment in producing compassionate, community-focused future leaders. We deeply appreciate this support from The Tulalip Tribes Charitable Fund.

Sincerely,
