Re: Tulalip Charitable Contributions Code: Q2 2016 14.2

Dear Ms. Sheldon:

On behalf of the Teens In Public Service (TIPS), I send our sincere gratitude for The Tulalip Tribes Charitable Contributions Fund's generous grant of [REDACTED] in support of our 2017 Summer Internship Program.

Our 2017 session will mark our 21st summer of service. Your support will enabled us to continue to employ youth in nonprofit organizations around the Puget Sound. In 2016 we placed 39 interns with 37 nonprofit partner organizations throughout King County where they served nearly 10,000 community members in need and addressed a wide range of social issues including hunger, homelessness, HIV/AIDS, literacy, environmental protection, and the arts. This generous grant will help us provide our participants with practical workplace and leadership skills, an education in community awareness, and an opportunity to manage their first paychecks.

"I learned how devoted I am to social justice and activism. I also learned how much I identify with others in these communities, and how we share similar struggles." -

In addition, your contribution enabled our nonprofit partners to increase their summer staff at no cost to their organizations, allowing them to run their programs more efficiently and expand their service provisions to their constituencies.

"She was able to do several projects that needed to be prepared ahead of time for our groups and she quickly and readily completed them. This freed up regular staff to complete their large amounts of regular paperwork." Denise Swanson, Boyer Children's Clinic

Thank you again for your investment in producing compassionate, community-focused future leaders. We deeply appreciate this support from The Tulalip Tribes Charitable Contribution Fund.

We look forward to receiving our formal invitation to Raising Hands 2016 and to attending the event held at the Tulalip Resort on October 22nd.

With Gratitude,

Linda Tessier
