Dear Ms. Sheldon:

Thank you for the Tulalip Tribes Charitable Contributions donation to Terry Home in the amount of [REDACTED]. Any amount helps our organization a great deal. We were in serious need of replacing our air conditioning unit in our Pacific location as the old one had quit working of course in mid summer. As you can see from the attached invoice, the total cost of the AC unit was \$10,000 so this [REDACTED] helped us a lot.

Our ten residents who live at this facility are once again happy to have been cooled off this summer especially during that very hot period. Since we need to be very careful with posting pictures of our residents on websites, I'm not including a picture of them. However, I have shown below a picture of the outside of our home which opened in 1996.

Thank you, again, for supporting Terry Home. It is wonderful to know that we have the community backing our 22 residents.

Sincerely,

Myla Montgomery
