Report of Fundraising Event and Funds received

June 8, 2018

Tulalip Cares:

The Arc of Snohomish County appreciates the support they have received from the Tulalip Tribes Charitable Fund to off-set the cost of their third annual Mystery Wine Auction. The dollars we raise through fundraising are of such value to an agency that continues to grow and expand their reach and support to individuals with developmental disabilities and their families.

The Arc's third Annual Mystery Wine Auction was held on May 4, 2018. Our guests had fun with a Star Wars themed night: "May the 4th be with you"! We've found this event has gained popularity and momentum since the first one we held. The amount of guests has increased by 35%. The money we net this year was 28,000.00. This is more than twice the amount from our first event two years ago. This increase is in part due to a strategic plan to implement effective fundraising as part of our effort to diversify our funding. The Board and staff have been engaged in sponsoring tables and participating in promoting our event and procuring donations and items. Over the years the Executive Director has formed partnerships with the venue, caterer and auctioneer, cutting our expenses to put on an exciting and wonderful event, but still make it profitable.

This event inspires community awareness of the Arc and the valuable services we provide to individuals with developmental disabilities as well as help the growth of our agency with additional funding.

Thank you for supporting the Arc with its fundraising efforts!

Sincerely,

A handwritten signature in black ink that reads 'Shayne Nagel'.
