Dear Tulalip Tribes Charitable Fund,

Enclosed you will find a report of how the grant funds to The TEARS Foundation by the Tulalip Tribes Charitable Fund were used this year.

We are pleased to let you know that the [REDACTED] donation was able to assist 8 bereaved, needy families in our community who faced the devastating loss of their baby and were in need of help to pay for the cremation or burial of their child.

The TEARS Foundation has seen an increase of nearly 30% more families needing assistance with their child's funeral costs this year- the majority of these families have either one or both parents currently unemployed. Your support lifted a financial burden from many hurting parents at their time of loss. We could not have done it without you!

We send our deepest thanks and gratitude on behalf of The TEARS Foundation and of those moms and dads whose baby passed away this year. Thank you for caring and thank you for lending a hand of support in such a difficult time for these families.

Sincerely,

Sarah Slack  
Founder & Executive Director  
The TEARS Foundation
