“As a new mother, that just moved from her family, it was stressful not knowing what I was doing wrong or if I was the cause of my daughter’s delay. Toddler Learning Center Services clarified everything for me. They instructed me on what to look for and what to do. It was the most amazing feeling. I was able to watch my daughter grow and slowly begin to overcome her delay. As a new mother, this was more than anything I could ask for.”

Thank you for helping us to do this important work.
