Program Accomplishments

The 2017 grant from Tulalip Tribe's Charitable Contributions Fund enabled 100 disadvantaged elementary children in Shoreline to receive after-school tutoring and attend summer education camp. These children were able to strengthen their skills in reading, writing, math, and science along with academic enrichment and cultural experiences.

Thank you for helping 100 disadvantaged students receive the academic help they need in order to thrive in school.

Sincerely,

Lynn Newcombe
