Re: Annual Report Q4 2024 14.2

Dear Ms. Sheldon,

On behalf of Two Hearts Pregnancy Aid and the families we serve, thank you for the generous grant that allowed us to provide them with car seats and diapers. These necessities are a great burden for parents who are experiencing financial challenges, but a great relief when they receive the help.

In 2024 we again saw a tremendous increase in the number of client visits from 4,615 in 2023 to 4,466 in 2024. To understand why these numbers seem contradictory, it's important to understand that we extended the length of time between client visits from 4 weeks to 6 weeks. This reduced the number of client visits from 13 to 8 per year. We also added 601 new clients. In addition, we implemented more stringent qualifications for clients to receive a car seat including a Washington State Driver's License and proof of income. Implementing these measures helped us keep pace with the ever-increasing demand for our services.

Because of the help from Tulalip Tribes Charitable Foundation, we provided our clients with nearly 161 car seats and more than 108,400 diapers. A copy of our expenditures for these items is attached along with photos of a few of our clients.

Please let me know if you need further information.

Gratefully,

Rachel K. Carrier
