Dear Marilyn:

It is my pleasure to provide a final report on the impact of the Tulalip Charitable Contributions Fund's generous grant to University of Puget Sound. In the 2025-2026 academic year, the [REDACTED] scholarship grant was awarded to Trayson Bagley, sophomore and class of 2028. In addition to his position on the football team, he is also active in Greek life and qualifies for the highest level of financial need on the FAFSA.

My passion is to motivate my local Tribal Members and youth to pursue their dreams and not let any obstacles hold them back is my main goal. Take advantage of every opportunity that comes in their path and make the most of it. This is how I was brought up, to never stop and never let anyone or anything hold you back in athletics or academics. It's the drive one has and the commitment to succeed.

Since 2015, the Tulalip Tribes Charitable Contributions fund has provided [REDACTED] in scholarships to nine students at University of Puget Sound. At Puget Sound, we are a campus community that values the intrinsic worth of its members, recognizes our shared qualities, and embraces our differences as we foster a spirit of openness and active engagement.

I am so grateful for your continued support. Please let me know if you are ever in the Tacoma area and would like to visit campus. For additional information about our report, you may reach me at 253.879.3610 or lschultz@pugetsound.edu.

Sincerely,

Laura Schultz
