Re: Vashon Kids Scholarship Contribution (Q3 2019 14.2) Report

Dear Ms. Sheldon,

Thanks to the Tulalip Tribes Charitable Contributions' generous \$[REDACTED] donation in December to the Vashon Kids scholarship fund, we were able to provide tuition discounts for 27 children attending the program in January! Attached are the latest Vashon Kids newsletter and the brochure describing the fun, educational themes for the upcoming summer program.

All-in-all last year, VYFS served nearly 20,000 Islanders through its programs – 20% of Vashon Island's population. The Vashon Kids program served 192 children (plus their parents!), and offered over \$46,000 in scholarships that helped make the program accessible for low-income families; we are so grateful to the Tulalip Tribes for helping make that possible.

Thank you for continuing to partner with us in our mission to foster a thriving community of emotionally healthy and resilient children, youth, adults and families on Vashon Island. We look forward to seeing you at the Raising Hands 2020 event in October!

Sincerely,

Carol Goertzel
Executive Director

with appreciation
