Attendees participate in rotating, small group discussions at the 2015 Washington Free and Charitable Care Conference

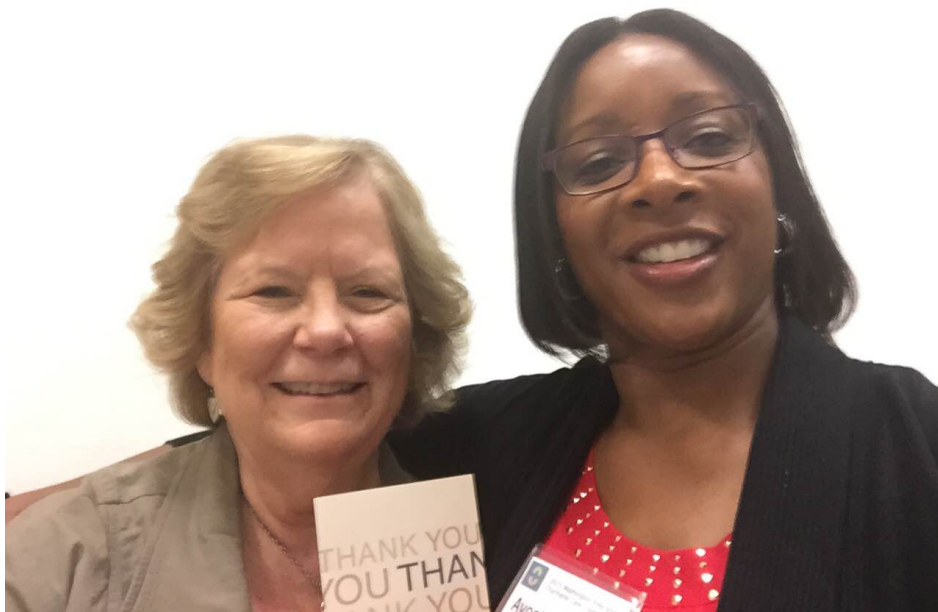

Because of your support, this event was a huge success!

We were able to capture evaluations from 98% of our attendees. Conference evaluations received an average session rating of 4.5 out of 5.0 possible points.

Here is one attendee's comment:

"This was a very informative conference. The information presented here was very interesting and I learned a lot of new things. I was encouraged that the problems I have in our community are shared by other communities."

Presenter Nancy Nelson from Warm Beach Camp and Conference Center, and executive director Avonte Jackson from Grace Clinic at the 2015 Washington Free and Charitable Care Conference
