Our graduating Star Scholar Taylor shared these words of gratitude:

*"WWIN has impacted my life beyond belief. I have grown to know so many wonderful, caring, inspiring women that have such kind hearts. I have learned financial responsibility, how to navigate the career field, and how to overcome difficult situations. Most of all, WWIN has taught me how to believe in myself. Being a WWIN scholar, I have received so much encouragement and positivity and I've gained so much confidence to love who I am. I can use my past to push my future, and encourage other women to do the same.*

*WWIN has opened up so many doors for me to be better equipped to enter into jobs. They have given me resources and advice that will stick with me through years. I appreciate everyone from WWIN being so selfless and kind. I cannot wait to give back to WWIN one day to repay all of the wonderful things that they have done for me and my future!"*
