**We are incredibly grateful to Tulalip Tribes Charitable Contributions for your support in the amount of [REDACTED] for FY22. Your gift has gone directly towards empowering the incredible women of WWIN!**

WWIN had 70 Scholars graduate this year. A few of their photos are included below. Our graduating Star Scholar Nyilah shared these words of gratitude:

*“Thank you so much for the opportunities you've given me and the doors you have opened so that I may follow my dreams. Without this scholarship, I don't think I would be the person I am today. Your contribution has not only allowed me to work with and learn alongside people who have taught me how to be successful in my career, but it also prompted me to explore the unique parts of myself that I otherwise never would've thought about. These opportunities could not have been possible without your generosity, kindness, and belief in me.”*
