Dear Tulalip Tribes Council,

Last June, Whatcom Center for Early Learning was honored to receive a generous [REDACTED] donation from the Tulalip Cares fund to support our Early Learning Program. We are thrilled to share how your investment has made a meaningful difference in the lives of local families.

Thanks to your support, we were able to sustain and grow our Monday drop-in class, Toddler Time, at our Cordata location—providing a welcoming, play-based learning environment for young children and their caregivers. Your funding allowed us to offer the class completely free of charge, eliminating financial barriers and ensuring that all families—regardless of income or background—could participate.

In 2024, we saw record-breaking attendance at our Monday Toddler Time session, with 304 children and their families joining us throughout the year. This marks the highest participation we've ever seen for this program. For many families, Toddler Time is more than just a class—it's a vital space for connection, community, and early childhood development.

We are deeply grateful for your generosity and for your belief in our mission. Your gift helped us strengthen our commitment to accessible, inclusive early learning opportunities, and we couldn't have done it without you.

Sincerely,

Ella Sherburne
