Code: Q2 2025 14.2

Dear Marilyn and Tulalip Tribes Grant Committee,

On behalf of [WhidbeyHealth Foundation](#), thank you for your generous contribution of \$ [REDACTED] toward our *Light the Way Campaign* to install new Steris surgical lights in the WhidbeyHealth operating rooms.

Your support has made a meaningful impact on surgical care for patients across our community. The new surgical lighting system provides improved visibility, precision, and efficiency for our surgeons and operating room teams, helping enhance patient safety and surgical outcomes.

In 2025, 2,836 patients received surgical care in these operating rooms, and we are on track for continued growth in 2026 as more patients rely on WhidbeyHealth for high-quality local healthcare services.

We are deeply grateful to the Tulalip Tribes Charitable Contributions Fund for investing in the health and well-being of our community. Your partnership helps ensure that patients on Whidbey Island have access to advanced surgical technology close to home.

Please accept our sincere appreciation for your generosity and commitment to improving healthcare in our region.

With gratitude,

Rainy Simpson
