April 11, 2019

Dear Marilyn,

I am grateful to the Tulalip Tribes for over 20 years of support and partnership as we've worked together to strengthen the Marysville / Tulalip communities. On behalf of the Marysville Family YMCA, and the thousands of children, teens and families that we serve each year, I am pleased to share how the generous support from the Tulalip Tribes is making a positive impact in the Marysville/Tulalip communities. The information provided in this report includes Quarterly Report for January thru March of 2019.

The Tulalip Tribes' support of \$ [REDACTED] over 5 years (2018-2023), distributed in \$ [REDACTED] annual increments, is allocated in the following way:

- Marysville Family YMCA, \$ [REDACTED] annually
 - \$ [REDACTED] Teens, Youth Sports, Swim lessons and Water Safety Skills, Health and Wellness for Families.
 - \$ [REDACTED] Tulalip Tribes Membership

We are fortunate to call Tulalip Tribes a true partner. We both understand the importance of providing our young people opportunities to connect with adult mentors so that they can have goals and aspirations to help them on their journey to becoming caring adults. We want to continue to work with Tulalip Tribes Youth Services towards our goal of increased graduation rates in 5 years. Our collaboration with SNAP to offer Y Family nights to Tulalip families will continue to provide support for families to improve their health and wellbeing while enjoying quality family time together. Youth Sports and Water Safety will give Youth the confidence to reach their potential while learning important team and personal safety skills. Your continued investment in the Y will help sustain these relationships and the programs necessary for healing our communities and building a stronger foundation for our future generations.

Thank you for your continued support and investment in the YMCA.

Respectfully Submitted,

JJ Frank

Tulalip Tribal Membership: \$ [REDACTED]

Since 1995 the YMCA has been a committed partner in building and sustaining healthy living opportunities for Tulalip Tribes members by providing no-cost Y memberships to all Tulalip Tribes members. Tulalip Tribes memberships are honored not only at the Marysville Family YMCA, but throughout the YMCA of Snohomish County and, beginning in 2015, across the state of Washington thanks to a YMCA statewide reciprocity agreement.

During the first quarter of 2019, 1,435 individual Tulalip Tribes members were served by the Marysville YMCA through no-cost facility membership. These 1,435 individuals represent just over 540 Tulalip Tribes households. The Y continues to see a steady increase in the number of Tulalip Tribes families participating in YMCA programs including swim lessons, summer camps, youth sports, and family programs.
